

Home Learning

Home Learning is set according to the Home Learning timetable.

All Home Learning is set on Show My Home Work; support and extra guidance is targeted as appropriate.

Home Learning is planned and focusses on what has been learned in class.

KS3 and KS4 Home Learning begins with 15 minutes of 'look, cover, write, check' learning from a Knowledge Organiser.

KO Home Learning is consolidated by a variety of tasks with different levels of challenge.

Teachers monitor the completion and quality of every Home Learning; it is valued.

Home Learning is identified by students in the title of their work.
